

Ibis Series

Mark II LED Downlight Kit with lamp and driver

With their robust construction, high quality componentry and sleek stylish design, our Ibis Series of LED downlight kits offer a market-leading proposition.

FEATURES AND BENEFITS

- **Unique anti-glare PC lens.** Avoids glare and replicates the look of a halogen lamp.
- **Excellent dimmability.** Delivers smooth and deep dimmability with a wide range of dimmers.
- **CREE LED chips.** Heat dissipation from the chip by the chip.
- **High-grade anodised 6063 aluminium construction.** Provides a smooth finish that will maintain its appearance and protect the aluminium over time.
- **Patented heat sink design optimised for product construction and LED chip selection.** Large surface area assists with heat dissipation and ensures specified lifetime rating is achieved.
- **Tough mesh sheath encases double insulated wiring.** Delivers enhanced safety, durability and flexibility.
- **Separate lamp and driver connected via removable plug base.** Offers enhanced ease and flexibility in installation.

SPECIFICATIONS

Model	DLK-M2-06W-xx	DLK-M2-10W-xx
Power consumption	6W	10.4W
NLP values	6	10
Output	460 lm	980 lm
Efficiency	94 lm/W	
Colour temperature	3,000K, 4,000K, 5,700K	
CRI	>82	
Beam angle	60°	
Driver	External	
Lifetime rating	50,000 hours	
Warranty	Five years	
Brand	Shine On
